When this kid

my favorite  
"Song of the Sakuras"  
in the springtime

Pretty  
Sakuras!

The  
Voice... Petals  
that remained  
in the memory

What could  
they have been?

I want her  
to sing it

Since I just

Sakuras  
are  
pink and  
round...

Well I have  
the data  
about it  
though

Round?

That's  
called  
Sakura  
rice  
cakes!

...covered  
with leaves  
and is  
sweet!

And so,  
don't  
know~!

I haven't  
seen  
anything  
like  
that

Then that  
memory is?

...that's how it is  
I was also born  
in summer  
and so there's  
no way I could  
know something  
like that

this  
year  
winter

But  
we  
were  
only  
born

Hmm,  
lets see,  
Sakuras  
are...

I see...  
Um then  
What are Sakuras  
actually like?  
I can sing the  
song pretty well  
now but even so  
I can't quite get  
the feeling of it...

Umm, the  
professor  
didn't put  
any info  
like that

Data  
related  
to  
Sakuras?

Producer's

...this kind  
of feeling

It's  
**SPR-

Hey  
Sakuras  
aren't  
only about  
good stuff  
you know

If you've got  
some Sake\*,  
it's even  
better♡

and it's  
so much fun  
just by looking  
at it

\*Sake: Japanese sort of alcoholic liquor: booze

buried under the tree, and the tree drains the blood from it—according to some rumors.

The reason why Sakuras are reddish-colored is because there is a corpse

Shut up! Should I bury you this year too?!

Every year you get drunk with Sake and bury me!

What do you mean?

and so, should we take a trip there with everyone?

Though it's quite far away, there are sakura trees already blossoming in the South

Let's stop the jokes right here...

...ok well

Whoa~  
How pretty!

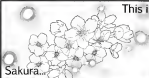

Yep!  
Now  
that I  
look at it  
it's  
definitely  
spring!

This is

This is

Sakura...

Spring — — — !!

But as  
a proof  
that she  
was started  
in spring,  
let's give her  
a name  
her before  
the Sakura  
leaves  
fall away

As I had  
thought,  
completing  
in spring  
is impossible

This kid's  
name  
will be...

You

The One  
from the  
Future

The First  
Sound  
that no one  
ever heard  
before

What's  
wrong

Onee-  
chan?

.....So that's how it was  
I was already born from this time

Huh?

You, who  
created me,  
though you're  
not with me  
here now

Because  
you created me  
I can sing my  
favorite songs  
to the ones  
I love

Seasons  
come and go,  
and spring  
is here...!

Thank you for  
creating me...  
and so here  
I sing this  
song to you  
with  
thanksgiving

The memories gained  
through flowers...
